Abbott Announces Virtual Attendance at Annual Meeting of Shareholders

ABBOTT PARK, Ill., April 14, 2020 — Abbott announced today that due to the public health impact of the coronavirus pandemic and to support the health and safety of its shareholders, employees and communities, the company will provide virtual attendance at the 2020 Annual Meeting of Shareholders.

As previously announced, the Annual Meeting will be held on Friday, April 24, 2020, at 9 a.m. Central Time at Abbott's headquarters. Due to restrictions and guidelines on public gatherings issued by federal and Illinois authorities, any shareholder who wishes to attend the Annual Meeting may only attend virtually. Shareholders of record as of the close of business on Feb. 26, 2020, will be able to attend the meeting, vote their shares and submit questions through an online platform.

As described in the Annual Meeting proxy materials and consistent with Abbott's historical procedures, shareholders who wish to attend the meeting online should complete and return the reservation form on the back cover of Abbott's 2020 Proxy Statement to receive log-in information and further instructions. Individuals who are not Abbott shareholders will not be permitted to attend the meeting.

Whether or not shareholders plan to virtually attend the Annual Meeting, we strongly urge you to vote and submit your proxy in advance of the Annual Meeting by one of the methods described in the Annual Meeting proxy materials. The proxy card included with the previously distributed Annual Meeting proxy materials will not be updated and may continue to be used to vote your shares in connection with the Annual Meeting.

Further information regarding virtual attendance and participation through the online platform can be found in the proxy supplement filed by Abbott with the Securities and Exchange Commission on April 14, 2020.
